**BlackWall Limited
and its wholly-owned Responsible Entities**

The Board of Directors of BlackWall is responsible for the corporate governance of the Group. The Group operates a number of listed and unlisted registered schemes. The board of directors of the Responsible Entity for these registered schemes is comprised of the same directors as BlackWall Limited. A reference in this document to the Board is a reference to the board of directors of BlackWall and its wholly-owned responsible entities from time to time. This corporate governance statement applies to both BlackWall Limited and its ASX-listed registered schemes. To the extent they are applicable and appropriate for BlackWall's size and nature, the Group has adopted the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations Third Edition".

This Corporate Governance Statement has been approved by the Board and is effective as at 14 August 2017.

CORPORATE GOVERNANCE COUNCIL RECOMMENDATION	COMPLIANCE	REASON FOR NON-COMPLIANCE
Principle 1 – Lay Solid Foundations for Management And Oversight		
1.1 A listed entity should disclose: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	The Board has adopted a formal Board Charter which sets out the respective roles and responsibilities of the Board and management and those matters expressly reserved to the Board and those delegated to management. The Board Charter is available on BlackWall's website at: https://www.blackwall.com.au/wp-content/uploads/2017/04/Board-Charter.pdf	N/A
1.2 A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	Prior to BlackWall's listing, police checks and track record checks (including ASIC personal name searches, bankruptcy searches and searches of the High Court and Federal Court) were undertaken for each director. Directors are also required to provide BlackWall with a copy of their resume. BlackWall provides members with a biography of each director to assist members in their decision on whether to elect or re-elect the director. This information is also included in the Group's Annual and Half-Year Reports.	N/A

CORPORATE GOVERNANCE COUNCIL RECOMMENDATION	COMPLIANCE	REASON FOR NON-COMPLIANCE
1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Senior executives have employment agreements setting out the terms of their appointment.	<p>The directors do not have written agreements setting out the terms of their appointment because the constitution and the ASX Listing Rules govern the term of each director's appointment. Directors are required to retire by rotation. Common law and the Corporations Act govern the duties of directors. Members are required to approve the maximum fees paid to directors.</p> <p>The CEO does not have a written agreement in place. The CEO has been with the business for over 10 years and the board determines the salary of the CEO.</p>
1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	<p>The appointment of the Company Secretary is approved by resolution of the Board. The Company Secretary is charged with the responsibility of:</p> <ul style="list-style-type: none"> • timely preparation and distribution of Board papers; • attendance at Board meetings and meaningful minute-taking; and • maintaining policies and procedures. 	N/A
1.5 A listed entity should: <ol style="list-style-type: none"> (a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them; (b) disclose that policy or a summary of it; and (c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them and either: <ol style="list-style-type: none"> (1) the respective proportions of men and women on 	<p>The Group has adopted a Diversity Policy. The Diversity Policy can be found at: http://www.blackwall.com.au/pdf/about/Diversity-Policy.pdf</p> <p>BlackWall's progress towards achieving its diversity objectives in the 2016/17 financial year is set out below:</p> <ol style="list-style-type: none"> 1. <u>Recruitment</u>: A significant proportion of BlackWall employees come from different ethnic backgrounds. The gender mix for the 2016/17 financial year is set out below: 	N/A

2. Career Development and Promotion: BlackWall facilitates equal employment opportunities based on relative ability, performance or potential. This is exemplified by the gender diversity in executive management. All employees are treated fairly and evaluated objectively.
3. Safe Work Environment: BlackWall is responsible for taking action against inappropriate workplace and business behaviour including discrimination, harassment, bullying, victimisation and vilification. BlackWall was not required to take action against any inappropriate workplace behaviour during the reporting period.
4. Flexibility in the Workplace: BlackWall has a culture that recognises the domestic responsibilities of its employees. During the reporting period BlackWall provided assistance to its employees allowing them to balance their domestic and professional responsibilities.
5. Succession plans - BlackWall’s culture and management structure facilitates on-the-job training. In addition, BlackWall has a cadet program and encourages internships.

CORPORATE GOVERNANCE COUNCIL RECOMMENDATION	COMPLIANCE	REASON FOR NON-COMPLIANCE
<p>1.6 A listed entity should:</p> <p>(a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and</p> <p>(b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.</p>		<p>The Board does not have a formal evaluation process. The Board prefers to evaluate and monitor its effectiveness by reference to the growth and successes of the business. If an issue is identified with the performance of any particular member, it is raised when the issue is identified rather than at the end of a specified period. Majority of the board members have sat on the board (including the former Pelorus Property Group Limited) since 2002 and Richard Hill since 2006.</p>
<p>1.7 A listed entity should:</p> <p>(a) have and disclose a process for periodically evaluating the performance of its senior executives; and</p> <p>(b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.</p>	<p>One of the Board's fundamental responsibilities is overseeing and monitoring the performance of the CEO and CFO.</p> <p>The Board undertakes an ongoing review process of both the CEO's and CFO's performance. This is based on criteria, including the business performance of the Group as set out in the papers presented to the Board at bi-monthly board meetings.</p> <p>The CEO and CFO undertook performance reviews of Senior Executives during the reporting period.</p>	<p>N/A</p>

The roles and responsibilities of a Nomination Committee are currently undertaken by the full Board.</p> <p>Board members both executive and non-executive are material investors in the Group's securities. The Board's view is that all Board members should have a material holding of securities of the Group to align interests of directors with the interests of members.</p> <p>The Board comprises a varied balance of skills ranging from finance, funds management, property and legal. BlackWall believes the Board has the right balance of skills, knowledge and experience to effectively discharge its duties.</p>
<p>2.2 A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.</p>	<p>BlackWall's Board Skills Matrix can be found at https://www.blackwall.com.au/wp-content/uploads/2017/08/Board-Skills-Matrix.pdf</p>	<p>N/A</p>

<p>2.4 A majority of the board of a listed entity should be independent directors.</p>		<p>Of the four Board positions:</p> <ul style="list-style-type: none"> two are held by members who are significant investors; one is held by the Chief Executive Officer (who also holds a material investment in the Group); and one is held by the Independent Chairman (who has a material investment in the Group). <p>Accordingly, BlackWall has not adopted recommendation 2.4. The Board believes that board members should have a material financial interest in the business to align their interests with members.</p>
<p>2.5 The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.</p>	<p>The Chairman, Mr Richard Hill, is an Independent Director. Principle 4 – Safeguard Integrity In Corporate Reporting		
4.1 The board of a listed entity should: <ul style="list-style-type: none"> (a) have an audit committee which: <ul style="list-style-type: none"> (1) has at least three members, all of whom are non-executive directors and a majority of whom are independent directors; and (2) is chaired by an independent director, who is not the chair of the board, and disclose: (3) the charter of the committee; (4) the relevant qualifications and experience of the members of the committee; and (5) in relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; OR (b) if it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner. The Audit Committee consists of two members – Non-Executive Directors Mr Tedder and Mr Glew. The Audit Committee is chaired by Mr Tedder. Given the composition of the Board and the size of the Group, Recommendation 4.1 is not complied with because there are only two members and although they are non-executive directors, they are not considered independent. The Board takes the view that the Committee as constituted can discharge its role effectively without the undue expense of appointing three members and an independent chairman who is not the Chairman of the Board.
